Where Are We?

The new location for Humanist Forums was to be the beautiful Allen Calvin campus of Palo Alto University at 1791 Arastradero Rd. in Palo Alto.

However, Palo Alto University has been in the news lately as the campus where Professor Christine Blasey Ford teaches. Coverage her allegations against Judge Brett Kavanaugh have led to death threats against her and an increase in security at the university. As a result they requested that we stay away from the campus at least through October 14. It is unclear when the facilities will be available to us.

Therefore we are meeting at the Hacker Dojo, located at 3550 Thomas Road in Santa Clara, near the intersection of 101 and Montague Expressway. Check the website, www.humanists.org, and meetup.com/humanistcommunity, for updates.

Happy Birthday
