## “A Republic, If You Can Keep It”

Our Constitution is not a self-correcting document. Democratic republics absolutely depend on the active and informed involvement of the people for their continued good health.

Misinformation has caused many of our citizens to believe lies told them by people they trust.

Decades of time and money was spent on protection for our environment, now heedlessly rolled back. The damage done to democratic institutions at home and to vital alliances abroad will not be corrected overnight.

We are in a race against time to keep Earth livable and measures taken for that goal have likewise been rolled back.

I take hope from our young people and from the courts that are our first line of defense.

I look to a new president who can talk to people who feel left out and who will inspire us to undo the damage that has been done.

## Volunteers Needed

Every social organization relies on the help of its volunteers. Here are just some of the ways you can become a more active member of our community.

### **Host a Potluck**

Tell Sena Havasy (senahav@gmail.com) if you are willing to host a potluck. Potlucks held at the home of some member every month.

### **Bring Food to the Sunday Forum**

Contact Sena Havasy. We can also use help setting up and breaking down every Sunday.

### **Provide a Venue**

We need additional meeting places for both the Freethought Discussion Book group and the Academic Video Group. If you can host a small group once a month or more please contact Carl Angotti (carl@angotti.com).

### **Recommend Forum Speakers**

If you hear a good speaker in the bay area on a topic that would interest the community, contact me at havasy@live.com

### **Computer Volunteer Needed**

We need help with emailing, Neon database learning, spreadsheet, etc. Must be accomplished with Excel and have some understanding of CRM Systems. Needed ASAP for 10-15hrs/month. Contact Susan at sysadm@humanists.org.
