HCSV Social Action Committee Report

The Social Action Committee of the Humanist Community is working to support a couple of the activities of the UU's of Sunnyvale. We are cooking dinner entrees and providing set-up and serving for their 3rd Tuesday slot at the Home First shelter in Sunnyvale. We are also looking to bring one aspect of their Climate Action Team to the Humanists attention: the Meatless Monday Initiative. We have some information available at the greeters table and plan to supply more. We hope to host an Eco-conscious Vegetarian buffet after one of the forums in September or October to demonstrate some meatless dishes. Recipe info and meal planning info also at the greeter table.

In recent years, voter suppression and voter list purging have disenfranchised millions of citizens, especially voters of color in southern states. **Reclaim Our Vote** is organized by the Center for Common Ground (based in Virginia), in conjunction with the NAACP, Mi Familia Vota, DemLabs, and Black Voters Matter, and is contacting voters in communities of color in several voter suppression states. We also postcard, canvas, do rides to the polls and voter protection, and we will soon add textbanking. We plan to host two Reclaim Our Vote post card events: Thursday evening August 8th 7-9pm and Saturday August 10th 2-4PM. There are a couple of other groups invited so we should have enough to do 300 cards. Let me know if you would be interested and able to attend either date. I will follow up with Meet Up once finalized. There will be many of these events in the coming year so no issue if you cannot do this one.
