California's 20th Annual Freethought Day will be on October 10 on the steps of the state capitol in Sacramento. This year they are offering \$2000 in scholarships to California high school students through their Scholarship Essay and Scholarship Haiku contests. For details go to: freethoughtday.org/index.html

California Freethought Day

I See a Bright Light Ahead

and no, it isn't death. It's our return to Earth, hesitant and blinking.

Soon, when all of us have been vaccinated, we can go back to having monthly POTLUCKS, greeting each other face to face, with no fear of the deadly pandemic!

We can have them outside with the fresh breezes and the flowers, while we build up to having them in each-others homes with cooler weather!

Hopefully, all of our people will avail themselves of this get-out-of jail-free card!

If some don't care to, we will regretfully miss them. Please let me know if you plan to be among them and we will give some thought to perhaps having separate gatherings just for them, if there are more than 2 or 3.

With the way this thing mutates we'll always have to be vigilant.

We hope to have the honor of hosting a victory potluck to celebrate and to recognize our members who have suffered and survived. We wish with all our hearts that they will be spared the often debilitating after effects!

Warm regards
Sena Havasy
