## It's Time To Celebrate!

Our new board has been elected and installed and it is time to celebrate with our annual Installation Dinner to be held in a private room at the Blue Pheasant in Cupertino.

We will welcome the new board and thank the outgoing board as well as presenting a plaque to the Humanist of the Year. The name of a Humanist elder will be added to the honor roll of Lifetime Achievement.

We bid farewell to Hilton Brown, a long time pillar of our Community, who will be moving to Willits at the end of March to be near his daughters. We look forward to seeing his pictures and mementos.

To schedule our Dinner before he leaves it will be in the last week of March. It will be announced within a few days. We are taking reservations from the first twenty five people.

## We Will Be Moving!

Starting April 5, our Sunday Forums will be held at the new Mountain View Community Center. It's located at 201 S. Rengstorff Ave, just across the tracks from Central Expressway.

Our stay at Hacker Dojo in the past five months has been wonderful. Both management of the Dojo and the individual members we've dealt with have been especially helpful and cooperative.

This move will bring us closer to most of our members and we hope it will give us better attendance for our Forums
