Humanist Community

Lifetime Achievement Award

Through the years Bob has been a pillar of support, both to the Humanist Community and the community as a whole. His generous donations of great furniture during our three years at Humanist House was especially welcome.

Matt Courtney

Humanist of the Year 2019

Based on his years of cheerful and reliable support in our every endeavor, first to arrive setting up the Forum every Sunday, service on the Board as Recorder, setting up the Forum system, lending his knowledge and skills at Neon, online media, and much more-

Humanism

"We can reject everything else: religion, ideology, all received wisdom. But we cannot escape the necessity of love and compassion. This, then, is my true religion, my simple faith. In this sense there is no need for temple or church, for mosque or synagogue, no need for complicated philosophy, doctrine, or dogma. Our own heart, our own mind, is the temple. The doctrine is compassion. Love for others and respect for their rights and dignity, no matter who or what they are: ultimately these are all we need."

- Dalai Lama

There's nothing you can do
that can't be done
Nothing you can sing
that can't be sung
Nothing you can say
but you can learn
how to play the game
All you need is love.

- The Beatles
