Crisis in Ukraine

**Volodymyr
Zelenskyy**

**President
of
Ukraine**

In a brutal act of war Russia sent its army into Ukraine, claiming its right to control this democratic republic and shattering the security that Europe has had since WWII. NATO Nations condemned this act and imposed economic sanctions on Russia and arms to Ukraine while people around the world, even in Russia held large antiwar demonstrations. It's not clear that this will be enough to save independent Ukraine.

Democracy is one of the basic values of Humanist and as Humanists we join most of the rest of the world in condemning this assault on humanistic values and on a free nation.

Elections to Board of the Humanist Community

The final count of the votes for the Board of the Humanist Community was February 21. Ray Sundby, President of the Humanist Community, Marie Stephens, and Scott Wakefield were elected for another term.

Our membership has dropped during the pandemic and, due to a technical glitch, many members did not received a ballot, including some members of the board. We apologize to members who were unable to vote. We promise to do better next year. However the candidates were approved unanimously so we accept the outcome.

Zem Laski

Zem Laski has accepted a position on the board and will be up for election next year. Zem is a regular attendant at the forums, the Academic Video Group and the Freethought Discussion Group and is a member of the Program Committee.
